On 29<sup>th</sup> November, the BBCC launched its new initiative '*BBCC B2B Members' Presentations*' which is meant to give a platform to Member-companies to present their business profile and services to the fellow-members and a wider circle of friends of the Chamber.

After a welcome by the BBCC Executive Director, Evelina Stoyanova, Ivan Stancioff, BBCC Honorary Board Member and Founder of the Chamber addressed the assembled company of around 80 Members and friends with his eminent charm and praised the Chamber's achievements over the past two years under the leadership of its Chairman Bill Drysdale. After lifting the spirits and putting everyone at ease, Mr Stancioff gave the floor to the six presenters who did their utmost to get the audience intrigued with their business offerings and hopefully gain a few new clients!

But it was not all business! BBCC Members and friends joined together to celebrate **St Andrew, the Patron Saint of Scotland**. In the best Scottish tradition, the festivities started with a splash of whisky, followed by a fine selection of food and drinks which indulged the senses. CultGourmet *Catering* fully deserved the many compliments extended by the guests!
