

MEET THE MEMBERS

Rooftop edition

WHEN: 30 May

WHERE: Kitchen59

BBBA Meet the Members event is one of the flagship events in our calendar. This is a great chance to get to know our new members that joined the BBBA community in the past months. Enjoy great networking and ice-cold drinks at a rooftop while overlooking Sofia.

The main purpose of this event is to help members to get familiar with each other by providing a platform for possible partnerships and cooperation. Wine and cheese tasting will follow after the presentations, allowing members to speak with the companies that provoked their interest.

A total of 15 companies will have the opportunity to present themselves, each have 2 mins to present themselves in front of the audience. The sponsor of the event will have the chance to do an extended presentation and other benefits you can see below.

For more information please contact:

SANDRINA GEORGIEVA

Events Coordinator, BBBA
