Motivation Letter

During the last 2 years I had the opportunity to work in the great team of BBBA. I think I still have more to offer for the benefit of the association. With this letter I'm confirming my intention to run for a second term for BBBA Board of Directors.

Further more my exit from Sciant Jsc concluded, which is giving me a lot more available time I now can dedicate for activities in BBBA.

My intention, if I get elected again, is to dedicate one day per week on full time pro bono for BBBA and to help getting more members and launching more initiatives.
