Chocolate with Mission

At **Stanimira Chocolate House** we create with love and care sweet chocolate temptations which are WOW, made of high quality Belgian chocolate and raw materials with guaranteed origin, a product of responsible agriculture.

We are a **social enterprise** in which **young people with disabilities work and develop labour skills**. Our goal is to give them the **opportunity** for professional development, to change public mindset and to reduce the risk of social exclusion. Together we create exquisite chocolate products. Together we add value to the **social economy** by giving them chances to be included in **sustainable employment**.
