

WHEN: 13 February

WHERE: City Stage, Sofia

We are very excited to invite you to the biggest BBCC event - our 10th birthday party. We are getting ready for a grand celebration with a Rockin' 10s themed party with members and partners from Bulgaria and the UK.

The BBCC anniversary event traditionally gathers together 600+ senior professionals from Bulgarian, British and multinational companies to remember a successful year behind us, and to wish each other an even more memorable one ahead of us.

The party will take place in one of the hot spots in Sofia – City Stage, and welcomes sponsors to promote their brands in front of a selected audience of business leaders.

For more information please contact:
