

MEET THE GOVERNMENT

PARTNERING FOR
PROGRESS:

GOVERNMENT AND
BUSINESS IN BULGARIA'S
OECD JOURNEY

WHEN: 30 Oct

WHERE: Grand Hotel Millenium Sofia

As part of the 10th Anniversary celebrations of the British Bulgarian Business Chamber (BBCC), we are delighted to invite you to an exclusive **C-level business breakfast with the Prime Minister of Bulgaria and members of his Cabinet**. This unique round-table discussion will explore "**Partnering for Progress: Government and Business in Bulgaria's OECD Journey**", offering an unprecedented opportunity to engage directly with the country's top decision-makers.

Bulgaria's accession to the OECD represents a transformative opportunity—aligning the country with the world's leading economies, boosting investor confidence, improving transparency, and creating a more competitive and innovation-driven business climate. This event provides a rare opportunity for senior business leaders to engage directly with top decision-makers, ask questions, and help shape the government-business partnership that will define Bulgaria's economic future.

With limited seating and exclusive sponsorship opportunities—including the chance to secure a table alongside government officials—this is the most strategic networking and policy-shaping platform of the year for the Bulgarian and international business community.

The sponsorship package opportunities include the following benefits:
